December Newsletter 2009-2010

KinderStart

A parent meeting will take place on Thursday, December 10, 2009, at 7:30 p.m. in the Learning Resource Centre. A schedule of student sessions will be provided at the meeting.

Christmas Concert

Our concert takes place on Thursday, December 17, at 7:00 p.m. A note will be sent home on Monday, December 14.

Professional Development Day

Friday, December 18, will be a PD day for all staff at our school. There will be no classes for students on that day. We apologize for the lateness of the notice.

Heritage Fair

The Heritage Fair took place on Wednesday, December 9. The judges here for the fair were high in their praise of our students for the quality of their work and their excellent behavior.

Basketball

Registration forms have been sent home. If your child wishes to participate in our school basketball program, please complete the form and send it in to the school office with the \$30.00 fee. Basketball will be starting up in January.

Christmas Food Hampers

A note has gone home requesting food or monetary donations for our food hampers. Please forward your donations to the school office or to your child's class. Thank you in advance for giving what you can to help make someone else's Christmas a little bit merrier.

Clothing Drive

Our Annual Clothing Drive runs from Thursday, December 10 - Monday, December 20. If you have any clothing that you would like to donate, we will be sending all donations to the MacMoran Centre for free distribution to families in need.

Lost and Found

Our Lost and Found box is getting full once again. Please take the time to check just in case you are missing something you are unaware of. All unclaimed items will be sent to a local charity after being displayed on the stage during the last week of classes prior to the Christmas Break.

No Snowball Throwing Rule

It is time for our annual "no snowball throwing" reminder. This rule is in place for the safety of students. It is important that our students understand the rule and our concern that snowballs can cause serious injury.

Recycling

Please save your recyclables over Christmas and drop them off at the shed behind the Town Hall.

Skating

Skating will start in January on scheduled Fridays from 1:00 - 1:50 p.m. Skating will take place at the Jack Byrne Arena on Torbay Road. The students will be bussed there and back. A schedule and fees will be sent home during the first week of January. Please note that CFA approved skating helmets are mandatory for all children.
